

Financial Freedom Without Sacrifice

How to Cut Expenses, Invest, and Increase Security *Without* Lowering Your Standard of Living

Unlike most personal finance books, *Financial Freedom Without Sacrifice* doesn't assume you have money to invest; it shows you how to free up money so that you can invest — without sacrificing your standard of living.

In a bold move to encourage everyone — even those who have never bought a personal finance book — to benefit from these simple, untaught strategies, any Canadian between the ages of 20 and 55 is **GUARANTEED** to benefit at least \$500, or the book can be returned to the publisher for a full refund!

"... the most enjoyable and easiest to understand of all the financial books I've read. The average Canadian can pick up this book and save thousands of dollars."
