"By simply following Talbot's workshop promotion ideas, we attracted over 400 clients and prospects to a seminar. The crowd's response and feedback was excellent. I would certainly recommend Talbot as a speaker to any financial planner."

— ELVINE SKORETZ, ASSOCIATED FINANCIAL PLANNERS, AB

"Attendance is one thing, new leads from a seminar is another. Your workshop attracted 140 people, which generated 66 new leads. You did a good job for us!"

— CECIL BALDRY-WHITE, GREAT PACIFIC MANAGEMENT, BC

"We were extremely happy with the 200+ attendance. Your book is like a bible to some. The 100 book give-away to the first 100 in attendance was a nice draw to the public. The business conducted has definitely covered the costs of the seminar by far."

— JANICE MATCHETT, REGAL CAPITAL PLANNERS, ON

"Excellent ... I highly recommend Talbot Stevens as an entertaining, informative speaker to any association or company that wants to give immediate, tangible benefit to their members or staff."

— PIERRE JACQUES, ONTARIO PROVINCIAL POLICE ASSOCIATION

"Your common sense approach to financial success is very refreshing as it is easily understood. Your audience participation and your presentation shows that they appreciate what you are doing. Again thank you for the very successful seminar."

— WILLIS CLEVELAND, INVESTORS GROUP, ON

"St. Paul is a town of only 5,000 people ... we were able to attract 250 people to the workshop! Being only 2 years in the business Talbot's seminar brought credibility to both my clients and prospective clients. Based on feedback forms, I believe that this seminar has moved my career by 2-3 years."
